

2015 Anderson Flyers Annual Meeting Minutes

Date : 12/22/2015

The meeting was opened at 7pm at the Newtown Firehouse.

Attendance

Lee Aichholz, Sam Bach, Jim Barney, P.J. Daley, Bill DeVore, John Fanselow, Mike Giese, Ned Gorski, Mike Harris Sr, David Jennings, Jason Jordan, Jeffery Kalebain, Kenneth LaFontaine, Gene Massey, Dave Mefford, Ron Meyer, Tim Meyer, John Miller, Dave Raines, Clyde Sparks, Richard Szanti, Ed Tellman, Joe Utasi, Greg Vorhees, Jim Winchel

Last Meeting - there were no open items from last meeting to cover.

Treasurers Report - Gene Massey provided a summary of the treasurers report. A motion was made to approve it and it was passed.

Training - Training for new members was discussed. John Fanselow has volunteered to be our trainer for now. As a reminder, we have an electric and several nitro powered models available, including a buddy box setup, for use as club trainers.

FPV flying - It was brought up that quite a few members have been more involved in multi-prop copter flying and FPV. One of the possibilities is in racing and is proving to be popular. For those who might have further interest there is a group getting together at Camp Dennison Parks on Sundays. Our own members who are involved do get together at our field regularly.

Spring Meeting - Our spring meeting has been scheduled for Wednesday, April 20 at 6pm.

FunFly Schedule - Dates scheduled for FunFlies follow :

May 14, Saturday

July 10, Sunday

August 13, Saturday

September 17, Saturday

Float Fly Schedule - nothing has been setup to date as availability of our usual flying site is in doubt.

Solar Power Package - A suggestion was made that we install a Solar Powered system in the shelter. Various possibilities were discussed and PJ Daley & Joe Utasi will look into the feasibility. A proposal & cost, when available, will be provided to the officers.

Port-a-let - Rental of a Port-a-let for the site was suggested, discussed and put to a vote. The motion was passed and is to be done for the 2016 season if feasible. Ned Gorski will look into cost and additional considerations - reporting to the officers with a proposal.

FunFly Food - Gene Massey has been responsible for obtaining the food & drinks for the FunFly for many years now. Circumstances dictate the need for the responsibility to be passed on. Several members indicated they could help but nothing was firmed up. Could anyone willing to handle this (or a portion of it) please let me know (rszanti@compuserve.com or 513-231-3470) so we can coordinate the needs before the next FunFly ?

Dues - There was a general discussion over the need to raise dues considering the expenses we may face in the coming season such as the Port-a-let, redoing our runway strips, etc. The need to raise dues was tabled for now, at least until we see what the total membership for this coming season will be.

Dinner - For those who missed the meeting, you also missed a good pizza dinner. Hope to see you there next time.

Adjournment - Meeting was adjourned at 8:24

Submitted - Anderson Flyers Secretary, Richard Szanti
